HERTFORDSHIRE CUBS RECORDS

CARD DEALING GAME

Equipment :
Approx 10 sets of playing cards
Stopwatch

Record Attempt:
Cubs have 2 minutes to lay cards out as below.
Cubs can only have 2 incomplete rows of cards at any time (ie if they pick up 3 aces in a row, they can put down the 1st and 2nd, but the 3rd has to go pack into the pile until the 1st row is completed)

Each complete card in the correct order scores 1 point.
Each completed row scores a bonus 5 points.
Therefore the example below would score 13 points for completed cards, and 5 bonus points – totalling 18points.

Maximum time allowed is 2minutes.
