

HERTFORDSHIRE CUBS RECORDS

WATER PISTOLS

Equipment :

Cheap Water pistols

Toilet Roll

Carrier Bags

String

Plastic Ping Pong Ball

Masking Tape

Record Attempt:

Cubs have 2 minutes to complete this record attempt.

A toilet roll will be suspended upside down in a carrier by the string at a height of approx 1.5metres.

The end of the toilet roll will be pulled out of the carrier bag and a plastic ping pong ball attached to the end.

From a distance of 2 metres, Cubs will fire a water pistol at the toilet roll until the weight drops off because the toilet roll is wet.

The fastest time will be the record holder.
