

Listed below is **ALL** the comments and feedback received from the Cub Skills Day on November 2008
Our replies are included where appropriate to answer the queries raised.

Areas which I have found useful

- 3yr programme info
- Knotting
- I have found all areas very interesting – in particular special needs and 3yr plan
- Knots
- Art badge activities
- Sixers & Seconders workshop
- Being guided through website, pointers as to where to find info
- Map reading
- Doing Art Activities
- All areas and activities – extremely useful
- Using all different art materials and comparing different ones
- Special Needs
- Arts & Crafts
- Stevenage website – ideas etc
- All was useful

Areas which I would like to have learnt more

- Behaviour Management
Response : This subject where not intended to be covered on this skills day – they will be on future skills days.
- More mapping
- Map reading – although I now have more ideas from the session
- Knots

Any ideas for future Skills Day

- Fuller run through of the 3yr plan with other packs ideas being added
- Lamps
- Pack Admin / Organisational Ideas

Response: This is included as part of the 3 year programme, and was offered (but declined by the group) at the beginning of the day.

- Other areas of the programme
- Places to visit locally within Herts, and outside of Herts
- Outdoor crafts
- Pioneering
- More breaks

Response : Tea and Coffee was available throughout the day for you to help yourself. Our longest session (the art badge practical session) lasted for only 90mins and you were free to use your time as you wished during this session. The other sessions were 60mins or less with a break (or lunch) before and after them.

- More splits between sessions

Response: See above
